BONDING CAPACITY

Single: \$4,000,000
Aggregate: \$20,000,000
Current: \$8.0 million

Griffith Contracting is a veteran-owned and woman-owned small business. Our 8a certification and Hubzone status make us an ideal choice for partnering with the Federal Government. Built with over 30 years experience. Proven past performance with over 55 completed industrial, military, and government contracts.

Leann Griffith is the President and Operating Manager. She is a US Air Force veteran with over 25 years experience in corporate business management and tax industry. Leann has grown this company from a business plan to a multi-million dollar construction firm. While securing IDIQ Construction contract valued at \$49.5m for Tinker AFB and two \$5m for GSA OK and AR, and finally a 5 year mowing Services Contract with the Corps of Engineers at Fort Gibson Lake, OK. Clint Griffith is our General Manager responsible for construction operations. He is also a US Air Force veteran. As a Civil Engineer Technician, he was Air Force trained in surveying, drafting, and construction management. He managed Air Force construction projects, serving as the COR at McConnell AFB, Osan AB, Malmstrom AFB, and Tinker AFB. Later retired from federal service with the US General Services Administration. Where he managed construction programs, facility management programs, and managed design, and project management teams in Boston Ma, Fort Worth Tx, and Oklahoma. Overseeing a vast inventory of historically owned and operated Federal Buildings and Courthouses.
