BONDING CAPACITY

Single: \$5,000,000
Aggregate: \$20,000,000
Current: \$7.5 million

Griffith Contracting, a distinguished veteran-owned and woman-owned small business, holds 8a certification and Hubzone status, making it an optimal partner for federal government projects. Backed by 30 years of experience and a track record of 63 successfully completed federal contracts worth over \$26 million, Griffith Contracting is a trusted choice.

At Griffith Contracting, Leann Griffith serves as our President. She manages the company with her 30 years of experience in corporate business management and the tax industry. With her leadership, our construction company has become a multi-million dollar enterprise.

Under Leann's leadership, Griffith Contracting has secured over 63 federal contracts. We hold a multiple award IDIQ Construction Contract valued at \$49.5 million at Tinker AFB, two \$5.0 million IDIQs for General Services Administration in Oklahoma and Arkansas, and a five-year service maintenance mowing contract with the US Army Corps of Engineers at Fort Gibson Lake, OK, currently in its third option year.

Clint Griffith, our General Manager, oversees construction operations. He is also a US Air Force Veteran with extensive experience in construction management. In the Air Force, he managed construction projects as an Engineer Technician, serving as the COR at McConnell AFB, Osan AB, Malmstrom AFB, and Tinker AFB.

Before joining Griffith Contracting, Clint retired from US General Services Administration in 2016. As a Senior Manager, he was responsible for design, project management, and construction in Region 1 Boston, MA, Region 7 Fort Worth, TX, and Oklahoma Federal Buildings, Courthouses, and Leases.
